

CARPOOL TO THE MOUNTAIN

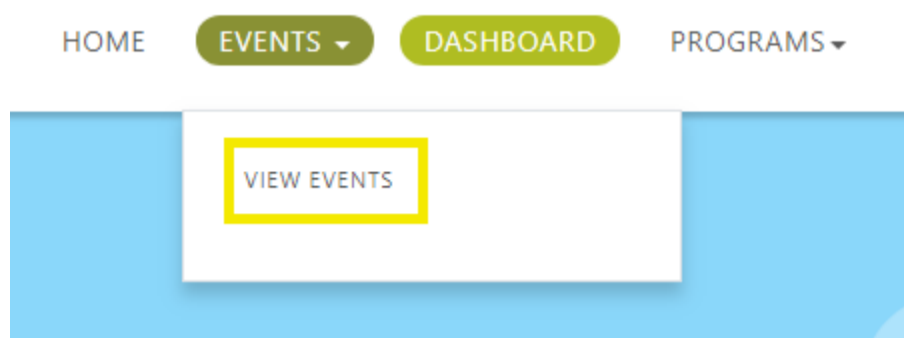

Be part of the solution!

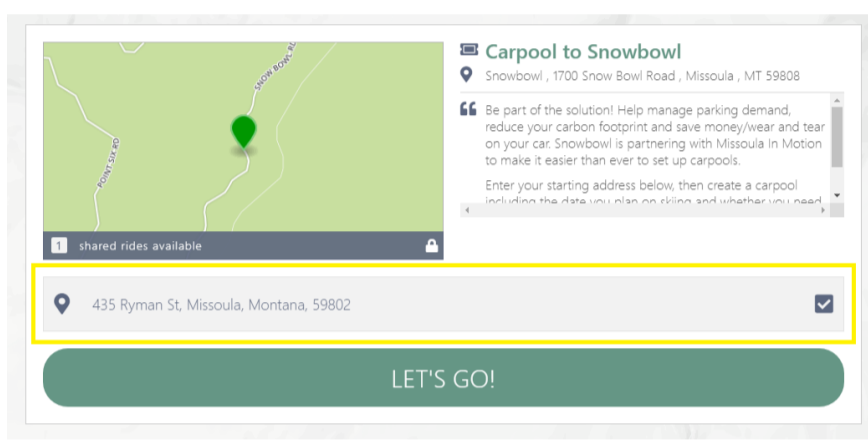

It's easier than ever to search and connect with carpool matches using Way to Go! Missoula.

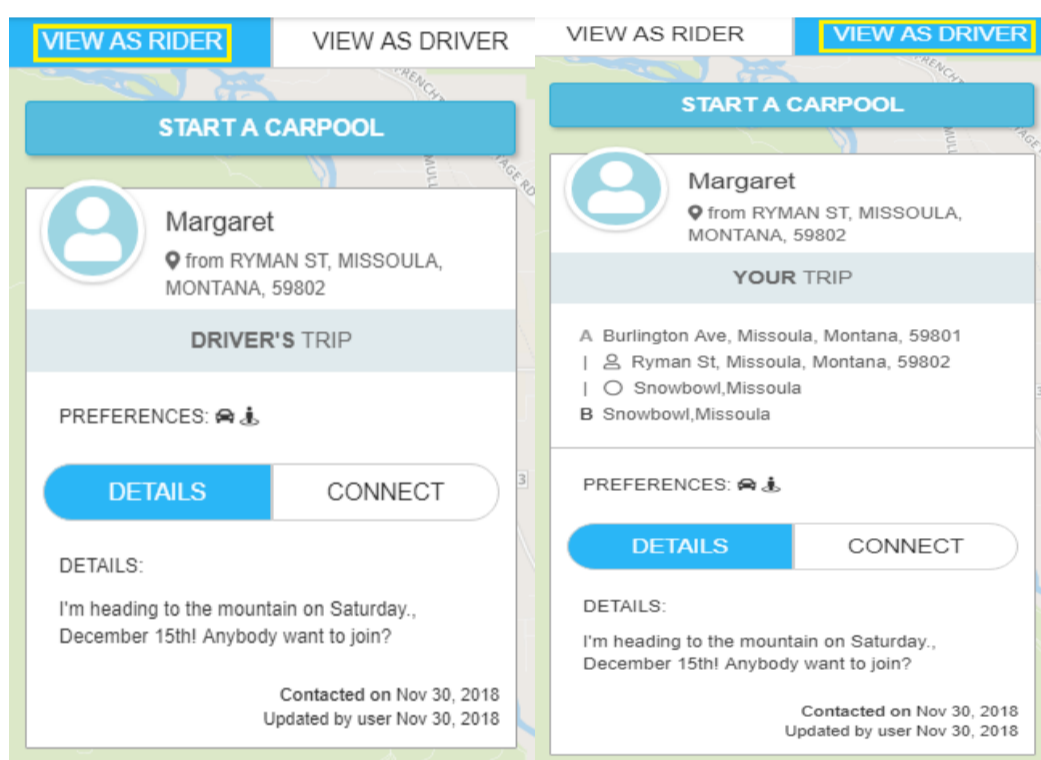

Step 1: Log in to your Way To Go! account and go to your dashboard. Under the events tab, click "View Events"

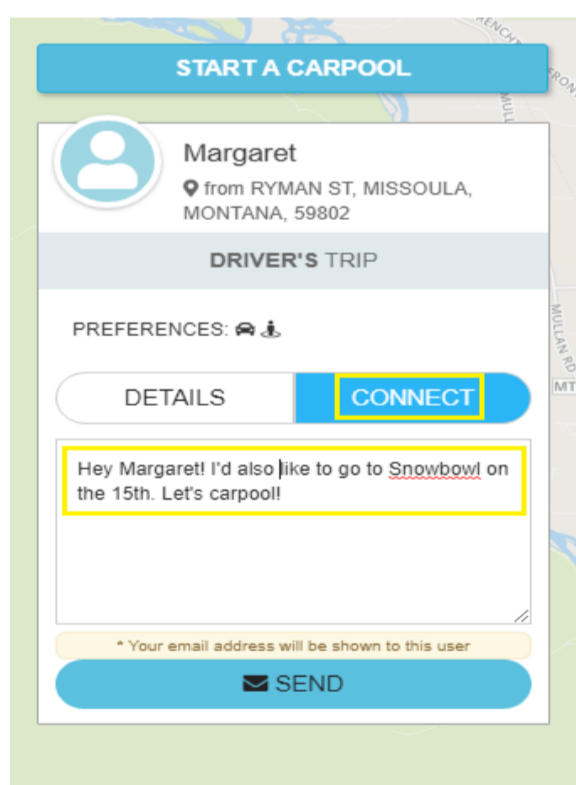

Step 2: Select the "Carpool to Snowbowl" event. Enter your starting address and click "Let's Go!"

Step 3: See other riders and drivers heading to Snowbowl? Read their details to see what day they're headed to the slopes.

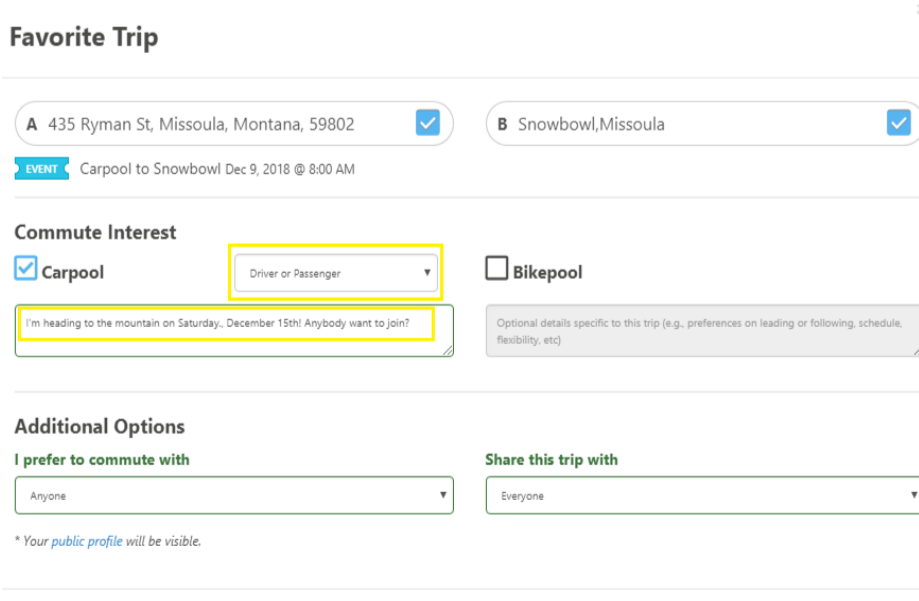

Step 4: Once you find someone going the same day as you, click "connect" and write them a message! They'll receive an email from you and you'll be able to continue coordinating with them via email.

Step 5: If you don't see any matches, click "Start A Carpool". Be sure to include if you'd like to be a driver, a passenger or either AND what day/time you're headed to the mountain.

People will connect with you via email if they see if you're post and would like to carpool!
